WHAT WE DO

All1Zed Money Pay is designed to reduce the gap between Mobile Money and Bank transactions. We help Businesses to receive Mobile Money Payments direct into their Bank accounts in real time. Our support for a cashless society cannot be over emphasized, so our aim is to bring thousands of unbanked in Zambia onto the All1Zed platform.

Card Solutions

The All1Zed Card integrates all the Mobile Network wallets and selected Banks into one account.

Card Registration

The Card uses advanced technology for quick registration by the card user. The cards are self-registered within 3 minutes by card user's by dialing the *772# USSD code on any Zambian Mobile Network (Airtel, MTN & Zamtel) through Kazang.

Card Funds Top Up

Cards are easily topped from any Mobile Network and selected Banks by dialing *772#. During top up, a minimal service fee is charged to the user.

Card Merchant Pay

The All1Zed Pay is designed for rapid payment processing as it was initially designed for Football and Event Stadium entry. This payment system utilizes advanced card Tapping Technology and makes real time (instant) funds settlements to merchant Bank or Mobile Money accounts. During payments funds processing, a service fee is charged to the merchant.

Card to Card Funds transfer

Card holders are able to transfer funds to other card accounts. This transaction does not incur transaction charges (Zero charge)

Card to Mobile Money account Fund's transfer

At zero charge our card holders have the liberty to transfer funds from the All1Zed Card to any Mobile Network (Airtel, MTN & Zamtel) wallet. All Funds settlements from Card to Mobile Money Wallets are instant.

Card to Bank account Fund's transfer

For Zambia to achieve a cashless society status, a full circle of Mobile Money and Bank transactions has to be achieved. For this reason, Card holders have the liberty of transferring funds from card to Bank at zero charge. All Funds settlements from Card to Bank are instant.

TECHNOLOGY

All1Zed Money Pay is utilizing fraud free advanced Card Tapping Technology. All the software designs and development have been designed locally in Zambia and are undergoing constant updating to suit security, market trends of Card User or Merchant demands.

ALL1ZED MONEY PAY SERVICES**Football Stadium Entry Payments**

Originally this system was designed for Rapid payment and processing during stadiums with huge patronage. The system is able to process stadium entry and payments simultaneously in 3 seconds just by tapping the card on the POS.

Event Venue Entry Payments

Just like Football entry requirements, the system is the best when it comes to fast event entry payments using our Tap & GO technology.

Fuel Station Payments

The characteristic of fast payments and ability to send funds instantly to any bank account has made the All1Zed Pay system ideal for Fuel Station Payments. Most of the fuel stations do not accept mobile money because of huge amounts of money they deal with. On the All1 Zed pay, card holders top

up the cards with any mobile money account and pay for fuel direct to fuel station's Bank account.

Supermarket

Most of the supermarkets with high turnover do not accept mobile money payments as the procedure of transferring money to their bank accounts is cumbersome. The other reason why they don't prefer mobile money payments is the long periods of settlement time where shop owners (merchants) have to wait for more than 24 hours to receive their funds. With All1Zed Pay, funds are transferred to merchant bank accounts in real time upon the customer tapping the POS.

Money transfers

All1Zed Money/Pay **BOASTS!!** of funds transfer by card holders from Card to Mobile money wallets or Banks without transaction charges. Current mobile wallets are Airtel Mobile Money, MTN Mobile Money and Zamtel Mobile Money. Free funds transfers are from All1Zed Card to the following 13 Banks: ZANACO, ABSA, Standard Chartered, Atlas Mara,

Bill Payments

Card Holders can make bill payments via our USSD code for utilities, Pay TV, Internet and buying of air time.

Payroll Business Solution

All1Zed Money/Pay card accounts can be used by Businesses who wish to pay their unbanked workers cashless. The advantage of workers having their wages paid through All1Zed system is that the transfers from card to Mobile Money or bank is free, no charge when buying goods using card and funds settled in card accounts instantly.

ALL1ZED MONEY PAY IMPACT

All1Zed Money/Pay has made mobile money payments easy and fast for both the card holders and merchants. Customers are now able to combine all the common mobile money wallets (Airtel, MTN & Zamtel mobile money) in one account with less time and without transaction charges.

The Fast payment processing, low commission and instant funds settlement into merchant mobile money or bank account makes All1Zed Pay a preferred option for most of the merchants.

All1Zed Money/Pay has become a solution to champion a cashless society as it is easily accessed (via USSD) and used by most of the unbanked.
